Dear Parents/Carers,

Mobile Phones and Smart Watches in school

We would like to remind parents and carers that mobile phones are not permitted at school. This also **applies to smart watches** with the functionality to send/receive messages, or can have a SIM card inserted.

If your child has permission to walk to and from school and therefore requires a mobile phone or smart watch, the device must be switched off and handed to the class teacher on entering the classroom, who will store it in the class cupboard. It will be handed back at the end of the school day and can be switched on after dismissal.

For clarity, smart watches and mobile phones may NOT be kept with the child during the school day but must be handed in at the start of the day and will be returned at the end.

Kind regards

Mrs Lovatt-Young
