Dear Parents/Carers,

PE Games lessons – Spring Term 3 – Hockey lessons

This term both Cameron and Moore Classes will be learning and practising hockey skills in their PE lessons with Mr Cunningham.

As we now use wooden hockey sticks at school, pupils are now required to wear a gum shield and shin pads for these lessons as a Health and Safety requirement.

Year 4-6 have already been provided with a gum shield which we will check to see if it needs remoulding. Year 3's will be provided with a gum shield which we will mould before use. The gum shields must then be kept in their trays at school ready for the following weeks lesson. If they already have a gum shield at home, they are welcome to bring this in and leave it in their tray too, to use.

They will also require shin pads and long socks to go over the shin pads, adding extra protection. We know that many children already have shin pads and we request that pupils bring their own ones to school for PE on a Monday. We will also have a supply of shin pads for children to use if needed.

Yours sincerely

Miss H Fitch
PE Co-ordinator
