14th February 2025

Dear Parents/ carers,

When your child comes out today and says that they have no homework...you heard right!
Instead, use this time to chat/ go on a walk/ relax/ watch a film together and talk about it...

However, if they would like to do something...there is always reading/ times tables practice, mathletics and Lexia.

Finally, I promised I would send out a couple of links for fractions revision to help with our current fractions work...

Little bit wobbly with fractions?

Have a little look at these online they may help you...

[Equivalent fractions - Maths - Learning with BBC Bitesize](#)
[Comparing fractions - Maths - Learning with BBC Bitesize](#)
[Comparing fractions - Maths - Learning with BBC Bitesize](#)
[Introduction to fractions - Maths - Learning with BBC Bitesize](#)
[How to simplify fractions - BBC Bitesize](#)
[Maths of the Day: Football Fractions - BBC Bitesize](#)
[Order simple fractions - Maths - Learning with BBC Bitesize](#)

Really stuck?

Try recapping Year 4 fraction work...

[Year 4 Fractions - Year 4 Maths - BBC Bitesize](#)

Thank you for all that you do and all of your support, I hope that you have a lovely, restful half term.

Mrs Sheraton
