

June 2024

Dear Parent/Carer,

We aim to help all students make a successful and enjoyable transfer to Secondary education. We have three exciting opportunities for pupils currently in Year 5 to visit our amazing school in advance of making their secondary school selection before the deadline on 31st October 2024.

Open Evening

We are very proud of Wrotham School and our open evening in previous years, has been extremely popular and well attended. We hope to give as many students and parents as possible the chance to visit our amazing school before making their secondary school selection before the deadline on 31/10/2024.

This year you may be aware that we have extensive building work underway for our impressive new buildings. This does mean that we are very limited on where we can tour parents as well as other restrictions and limits on parking space. However, to ensure this still goes ahead we are pleased to announce that we are now able to offer an Open Evening on **Thursday 19th September 2024** strictly for admissions for September 2025 (Year 6 in September 2024). This will be an opportunity for you to attend a presentation from Mr Cater, Headteacher, including a digital preview of the new school buildings before visiting our subject teachers with current students of the school at our Subject Showcase event in the Sports Hall.

There will be three sessions for this event which will commence promptly at the session times below with the Headteacher presentation in the school hall.

- Session 1 will run from **4pm to 5pm**
- Session 2 will run from **5.15pm to 6.15pm**
- Session 3 will run from **6.30pm to 7.30pm**.

Afternoon Group Tours

We are excited to announce that we are now able to offer group tours bi-weekly on Tuesday afternoons from 10th September 2024 through to 8th October 2024. To book a place on one of our tour dates use the QR code below or use the form link <https://forms.gle/9YKf1LyUywsIQFsb9>

Transition Experiences

We would like to invite prospective students to Wrotham School to experience our taster lessons on Thursday after school during September and October 2024. These lessons are strictly for students transferring to secondary school in September 2025.

The purpose of the lessons is to provide a 'taster' of education in a secondary school where students can extend their talents in subjects of their choice. Students can attend one of the listed subjects per week.

The one hour session will run as follows:

- 3:35pm - students to report to reception and sign in with parent/carer
- 3:45pm - students will be collected from the hall by a teacher and taken to the classroom
- 4:45pm - students will be escorted back to the main hall for collection by parent/carer

Students can only attend one subject lesson per date.
