Dear Parents / Carers

Author Visit on 25th April 2024 1.10pm – Megan Hopkins

Megan Hopkins will be visiting the school to give an assembly to Years 3-6 and talk about her debut novel 'Starminster'. Megan Hopkins is a Northern Irish writer who lives locally in Kent. She is a secondary school teacher and a member of the Sevenoaks Bookshop Writing Group.

Her novel 'Starminster' is an epic and soaring adventure story, ideal for children who love Abi Elphinstone and A.F. Steadman. A story about friendship and magic, with imaginative world-building and memorable characters.

If you wish to purchase the book, please purchase online by **11th April 2024** and your child will receive their book during the assembly.

Visits such as these help pupils to understand the purpose of writing and reading for pleasure and are proven to improve the quality of pupils' work. I am sure the children will enjoy this special event.
