28th February 2025

Dear Parents/Carers,

Sevenoaks School Science Event – Monday 10th March

Your child is invited to participate in the Sevenoaks Science Event which is being held Sevenoaks School on 10th March 2025. The children will be watching:

The C-60 Workshop This is the story of the 60 carbon atom Nobel prize winning football shaped molecule that has led to a revolution in carbon nanotechnology. The discovery takes us from the immense worlds of astronomy to the tiny worlds of atoms, we will make our own molecular model of C₆₀ during the workshop and

The Liquid Nitrogen Show We all know that you can't hammer in a metal nail with a banana....but is that always the case? Join Mr Tate, Head of Physics, as we use liquid nitrogen to explore the fascinating world of cryogenics and learn what happens when items are cooled down by 200°C. See materials behave in ways you never thought possible.

The children are required to wear their school uniform and to bring a suitable coat. They will need their water bottle and their packed lunch. We will be eating our lunch on return to school.

In order for us to take part we are looking for parental support in providing lifts. **We request that if you are unable to drop or collect your child at the venue that you make your own arrangements with another family to transport your child.** Please include the name of the person on form (if unknown please complete the form, enter TBC and inform office once arranged).

We are asking parents to drop children at the bus stop in Duke's Meadow Car Park in Sevenoaks School at 9.00am and collect them at 12.00. On the day, all children will need to bring a packed lunch. We are a nut free school so please ensure that you do not include any nuts in the packed lunch.

We will require volunteers on this trip. If you would be interested in helping, please let us know via the scopay form and we will inform you if we require your help.

There is NO cost for this event but parents do need to advise us if they **do not** wish their child to participate in this event. Please register and complete the form online at www.scopay.com/shorehamvillage school by **Tuesday 4th March 2025**. If we do not hear from you by this date then we will assume that your child is not able to participate.

Yours sincerely

Mrs Sheraton
