25th April 2025

Dear Parents/Carers,

New school website

As we have now joined the Pioneer Academy, we have a brand new website launching today. All of the useful content that was on our previous website has been transferred across, and class teachers will continue to update class pages with relevant information and homework. The website url remains unchanged: <https://www.shorehamvillageschool.net/>

Best wishes,

Gillian Lovatt-Young
