6th June 2025

SAFETY IN ACTION - West Kent 2025

Dear Parents / Carers,

The Year 6 children have been invited to attend the Safety in Action event on Wednesday 2nd July. This is an interactive safety event provided by SALUS and is a unique opportunity to participate in a series of nine practical safety scenarios.

I will accompany the children and we will be travelling by minibus to Cobham Hall School, where the event is being held. We will leave school at around 11.30am and then leave the site at 2.45pm at the latest, to return to school at approximately 3.20pm, traffic permitting.

Children will need to bring a packed lunch on that day, and we will be eating lunch when we arrive at the venue. Please can you ensure that your child brings a named water bottle with them.

The event is being held outdoors. The scenarios the children will visit in rotation are situated in the area. Staff are requested not to accompany the groups as they go around, but will be observing their progress and interaction with the scenario leads at the side (they will be visible at all times).

Your child should be in full school uniform, but as most of the scenarios are outdoors please make sure that your child has appropriate outerwear and footwear that day.

Please complete the form via www.scopay.com/shorehamvillage by **20th June 2025**.

Completing this form will give permission for your child to attend and for the teacher in charge of the party to give consent on your behalf for any urgent medical treatment, including anaesthetic to be given.

There is NO cost for this event but parents do need to advise us if they **do not** wish their child to participate. **If we do not hear from you by this date then we will assume that your child is able to participate.**

Yours faithfully

Mrs Sheraton
Deputy Headteacher
