3rd September 2025

Dear Parents/Carers,

Kent Bikeability Training – 2-4th December 2025

We are in the process of organising for Kent Bikeability to come into school to deliver a cycle training course to the children in Year 6. This is something that we would like all Year 6 children to do

In order for this to happen, we have to have a certain number of pupils taking part. If insufficient pupils are interested, we will be unable to proceed with booking the course which was unfortunately the case last year.

The training will take place on the **2nd – 4th December 2025** and this year we are pleased to let you know there will be **no cost** for this activity.

To register your child for this event, please go to www.scopay.com/shorehamvillage by **Monday 15th September**. You are required to tick the consent box for this event, this will give permission for your child to take part and for the teacher in charge of the party to give consent on your behalf for any urgent medical treatment, including anaesthetic to be given.

You will required to register online on Bikeability's new digitised system. This information will be sent once numbers have been confirmed.

They will be delivering Level 1 and 2 training to the pupils.

[Bikeability Level 1 - Maintain your cycle, Glide and Control your bike](#)
[Bikeability Level 2 - Start & stop, Passing vehicles & Understand the road](#)

All children must have permission. Each child that that takes part will need to be able to ride a bike. Children will need a roadworthy bike and a cycling helmet in order for them to take part in the training. For the duration of the training children will be supervised by Bikeability staff only, there will not be a member of school staff with them.

If we do not receive your reply, we will assume that you do not wish for your child to participate but we are keen for all children to participate so please speak to us if we can help to facilitate this in any way.

Yours faithfully,

Mrs Sheraton
Class teacher
