Dear Parents/Carers,

Updating your child's information

We recently sent home copies of the data we hold for your child (and medical information if applicable). It is vital the information on our systems is up to date. We kindly request that you sign and return the form to the school office, even if there are no changes. If there are changes to any of the details on the form(s), please note change and we will update our records.

If your child has a medical condition the school has not been previously notified about, or there have been changes in an existing medical condition, please fill out the following form <https://forms.gle/AgXCobXqoyUDTEXA8>

Yours sincerely,

Erin Fung
