Dear Parents and Carers

Please help us! Parentview Reviews

Although we are not due an Ofsted visit for some time, it is helpful to our school if we have a number of positive views on the Ofsted portal called Parentview.

Each family is able to log into Parentview to express their views on our school, and this can be done on an annual basis. This only takes a few minutes and is truly beneficial to us.

I would therefore be grateful if you could spend a few minutes (it is very quick) completing our parent view please. You simply need to click on the link below and follow the instructions.

<https://parentview.ofsted.gov.uk/>

With many thanks,

Gillian Lovatt-Young
Headteacher
