June 2026

Dear Parents/Carers,

2026 Summer Term 2nd Half Curriculum Letter for Moore

Welcome to the Summer Term at Shoreham Village School!

A copy of the curriculum map and homework timetable for this term, are included below for your information.

Homework will continue to be set on a Friday consisting of spellings, maths, literacy and sometimes some cross-curricular work. Please encourage your child to finish what they are capable of and then spend some time reading and learning times-tables. It is important that the children get into a routine of reading instructions and questions for themselves, and to have a good attempt at the work set. Please also continue to read/listen to your child reading. Their reading record should be in school daily and should be signed by you at least three times a week.

PE sessions in Term 6 are on a Monday afternoon then swimming on a Friday afternoon. Please ensure that they have the appropriate, **labelled** clothing in school for their lessons. They will need to come to school in their PE kits on Mondays and Fridays. Please help us to encourage your child to take responsibility for their kit and to respect the belongings of others.

Pupils should also bring a named water bottle to school each day, which is to be taken home every night to wash and refill. Fruit is provided free of charge for all pupils at snack time.

The Summer Term is an exciting one with a variety of activities on offer so please refer to the Summer Term Calendar, which is available on the school website, and look out for Scopay communications and Newsletters informing you of events taking place. We are confident that your child will have a happy, productive and enjoyable term, but should you wish to discuss any aspect of their experiences at school, please do not hesitate to pop in and discuss them with the class teacher or make an appointment through the school office.

Many thanks for your continued support. We look forward to working with you throughout the term.

Yours faithfully,

Miss H Fitch
Class Teacher

Mrs N Sheraton
Headteacher

Year 3/4 Summer Term 2026 2nd Half - Curriculum Map

Maths	<p>Mass and Capacity: Equivalent masses kg and g; compare mass; add and subtract mass add and subtract mass add and subtract mass add and subtract mass add and subtract mass add and subtract mass.</p> <p>Decimals: Divide 1 and 2 digit numbers by 10; hundredths; Divide a 1 and 2 digit number by 100; compare and order decimals; halves and quarters as decimals.</p> <p>Money: Pounds and pence; convert pounds and pence; add money; subtract money; find change;</p> <p>Time: Years, months, weeks, days; hours in a day; to the nearest 5 mins; to the nearest minute; am, pm; 24 hour clock; analogue to digital – 12 hour and 24 hour.</p> <p>Statistics: Pictograms; bar charts; tables; interpret charts; comparison, sum, difference; line graphs.</p> <p>Properties of Shapes: identify angles; compare and order angles; Triangles; quadrilaterals; symmetry; complete a symmetrical figure</p> <p>Position and direction: describe position; draw on a grid</p> <p>Times-Tables</p>
