Dear Parents and Carers,

I am very much enjoying my new role as Head of School here at Shoreham. As you know, I have had the pleasure of teaching and working alongside so many of your children and families for a long time now, and I am deeply committed to ensuring that our school continues to thrive.

As Lee stated in his letter last week, as we move into this exciting new chapter, we will be welcoming Ms Graham, who will work closely with me and the governing body to support the strategic development of the school.

I would like to reassure you that this appointment is a positive and exciting opportunity for our school. Ms Graham will largely work behind the scenes, providing support and guidance in areas such as school finance, site management, and the wider strategic responsibilities that come with leading a school.

This support structure means that I can remain focused on what matters most: the day-to-day life of our school. My priority will continue to be our children, the quality of education we provide, the curriculum, teaching and learning, the wellbeing of pupils and staff, and the many aspects of school life that make Shoreham such a special place to be.

Importantly, the familiar faces and values that you know and trust remain at the heart of our school. I will continue to be a visible presence for our children and families, celebrating successes, supporting our community, and ensuring that every child receives the very best educational experience possible.

Thank you for your continued support, encouragement, and trust. I look forward to working alongside you as we begin this exciting new chapter together.

Mrs Sheraton
Head of School
