Dear Parents / Carers,

We are deeply saddened to share the heart-breaking news that Keeley, mother of Maddie and Henry in Moore Class, passed away suddenly and unexpectedly on Thursday night.

As a close school community, this loss will be felt by many of us. Our thoughts and heartfelt condolences are with Maddie, Henry and Mark and their family during this incredibly difficult time.

Today, we spoke with the children in their classes in an age-appropriate way to let them know about this sad news. We understand that children may have many questions over the coming days and weeks. The websites below provide helpful guidance on talking to children about bereavement and supporting them through grief.

If you feel that your child would benefit from any additional support, please do let us know. We are here to work alongside you and will do everything we can to support them during this difficult time.

Thank you for your kindness and support as we come together as a school community to care for one another.

We are such a small, connected community and if you want to talk to any of us at school, please do not hesitate to do so.
